

China Gold International Announces Loan Facility Agreement.

VANCOUVER, CANADA, November 3, 2015 - China Gold International Resources Corp. Ltd. (TSX: CGG; HKEx: 2099) (the “Company” or “China Gold International Resources”) is pleased to announce that Tibet Huatailong Mining Development Corp. Ltd. (“Tibet Huatailong”), the Company’s wholly-owned subsidiary, has entered into a Loan Facility agreement (the “Loan Facility”) with a syndicate of banks (the “Lenders”), led by Bank of China (the “Lead Manager”) pursuant to which the Lenders agreed to lend to Tibet Huatailong the aggregate principal amount of RMB3.98 billion, approximately USD627 million.

In addition to the Lead Manager, the syndicate of banks consisted of Agricultural Bank of China, China Construction Bank and Bank of Tibet.

The timing and the amount of the drawdowns from the Loan Facility will be determined by the Company according to its actual needs. The Loan Facility is repayable in full by Tibet Huatailong to the Lenders on November 2029. Repayments will commence in May 2019. The drawdowns from the Loan Facility bear a floating rate of interest (the “interest on the drawdowns”) which is currently at 2.83% per annum. The People's Bank of China Lhasa Center Branch’s interest rate (the “bank’s interest rate”) serves as a benchmark for the interest on the drawdowns. The bank’s interest rate is then discounted by 7 basis points (or 0.07%) to calculate the interest on the drawdowns. The proceeds from the Loan Facility are to be used for the development of the Company’s Jiama Copper-Gold Polymetallic Mine (the “Jiama Mine”).

The Loan Facility is secured by the Jiama Mine’s mining rights. The Loan Facility is subject to customary covenants for a transaction of this nature, including covenants with respect to overall indebtedness of Tibet Huatailong.

Mr. Bing Liu, the CEO and Executive Director of the Company, stated, “This financing will enable us to successfully pursue the development of the Jiama Mine. Despite challenging market conditions, we are capable of raising sizable financing at low interest rates due to our impeccable reputation in the Chinese mining industry and the support of the Company’s largest shareholder, China National Gold Group Corporation”.
