

China Gold International Resources Corp. Ltd. Provides Preliminary 2020 Production Results and 2021 Outlook

VANCOUVER, January 21, 2021 - China Gold International Resources Corp. Ltd. (TSX: CGG; HKEx: 2099) (“China Gold International Resources” or the “Company”) is pleased to provide preliminary full year production results for 2020 and announce annual production guidance for 2021.

2020 Preliminary Production Results:

- The consolidated gold production is approximately 234,700 ounces (approximately 7.3 tonnes), exceeding the 2020 production guidance of 212,000 ounces by about 10%. The copper production is approximately 176 million pounds (approximately 80,000 tonnes), exceeding the 2020 production guidance of 145 million pounds by more than 21%. The above are preliminary results. The actual annual production data shall be released in the 2020 annual financial statements of the Company.

Production Guidance for 2021:

- The Company anticipates production of approximately 235,000 ounces of gold in 2021.
- The Company anticipates production of approximately 177 million pounds of copper in 2021.

The Company’s Chairman and CEO, Mr. Liangyou Jiang, said, “2020 has been a challenging year for the Company due to the volatile market conditions, the impact of Covid-19 pandemic, and the uncertainty with sharp downturn of global economy. However, our management team and staff have overcome all the difficulties and achieved great success by means of improved operational excellence, outstanding HSE management, continuous cost control and risk prevention, resulting in the best annual performance of the Company in the history. The copper production of Jiama Mine reached a historical high, and CSH Mine operated smoothly with the gold production on a consistent high level. The total actual copper and gold production has greatly exceeded the original production guidance. The Company will continue improving its operation in 2021, steadily achieve performance milestones, and create value for our shareholders.”

Final Year-End 2020 Results:

The Company expects to report its 2020 annual financial statements by the end of March 2021. In connection with the release, management will hold its annual roadshow event to discuss the Company’s year-end results and performance.
